A collage of three images. The first image shows a close-up of Antonio Rosique's hands, one wearing a watch and holding a small object. The second image shows a close-up of his dark shirt with a chain necklace visible. The third image is a portrait of him from the chest up, looking slightly to the side.

A horizontal strip showing four small video frames from a video player interface. The first frame shows a person's face, the second shows a fish, the third shows a dark scene, and the fourth shows a person's face.
